

Marina Shortwaves

Volume 1, Issue 2

April – June 2009

Parking Improvements

SeaWorld has changed the access points to the parking lots which will allow us to better control destination traffic as we head towards the Summer season. Previously tenants would turn at the fourth left turn from the signal at Ingraham Street/Perez Cove Way. Now, we can either make the first or third left turn.

The first turn is also familiar as the entrance to the SeaWorld/Hubbs Research building. Already, we've experienced the improvement in flow, safety and direction. Remember: The fourth left turn is no longer open, but we have two new options available.

See page 2 for SeaWorld info

First left turn from the signal

Third left turn from the signal

Coast Guard Vessel Inspections

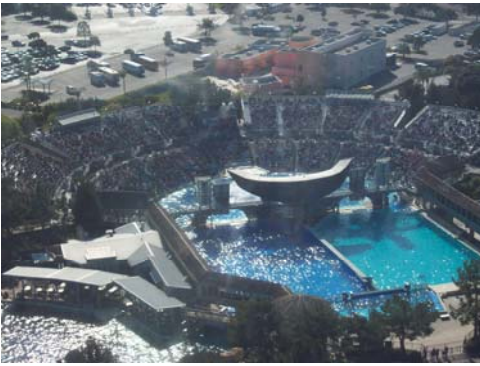

Thank you to everyone who volunteered for a free vessel inspection by the US Coast Guard Auxiliary on January 24 and March 21. As you may or may not know, the Auxiliary does not fine you if they find a routine problem with your boat during the voluntary inspection. But, Mission Bay has seen a noticeable in-

crease in the law enforcement patrols stopping and checking boats and they will definitely cite boaters. Examples of law enforcement boats in the bay include Regular Coast Guard, San Diego Police, Lifeguard Services, CA Fish and Game and Homeland Security/ICE Marine Taskforce. Additionally, a vessel in-

spection is a requirement in our tenant contracts. Also, ask your insurance company to see if you could receive a discount on your policy. The Auxiliary will also do individual appointments. More information, including scheduling an appointment can be found at nws.cgaux.org or safetyseal.net

Marina Events

- April 4-19 Spring into Night at SeaWorld

SeaWorld's signature Shamu Show is gearing up for a fun and exciting Summer

Viva La Musica

New in 2009! SeaWorld San Diego kicks off its inaugural festival of Latin music, food and fireworks. Enjoy four weekends of San Diego's hottest and national headlining Latin performers—live in concert at Shamu stadium!

Groove to the beat while you enjoy delicious Mexican cuisine like elotes, tacos de carne asada, fruta rebanada and much more. Plus, with extended hours, 9AM to 9PM, enjoy all of your favorite SeaWorld rides, shows and animal attractions. It's all included with park admission.

VivaLaMusicaFestival.com

Updates for performers and showtimes.

Quick Queue

Quick Queue tickets are now available at SeaWorld. With a Quick Queue ticket guests are allowed one-time priority boarding at the express entrances to Journey to Atlantis, Wild Arctic and Shipwreck Rapids plus one extra boarding on a return trip to the ride of their choice. As an added bonus, Quick Queue ticket holders also receive a single complimentary ride on both the Skyride and Skytower.

All riders must still meet all ride height and safety requirements.

Tickets are \$19.95. Silver and Platinum Passport members may purchase one for \$17.95.

Tickets are offered seasonally so check at the admission booth for availability.

Hey Did You Know...

SeaWorld San Diego celebrated its 45th birthday on March 21 this year. The marine-life park has grown from modest beginnings (22 acres, 45 employees, two aquariums and a few dolphins and sea lions in 1964) to one of the largest and most respected marine zoological facilities in the world.

The first year saw about 400,000 guests. Today the park hosts more than 4 million visitors a year.

SeaWorld is home to more than 10,000 animals and range from rescued cats at the Pet Show to Shamu the killer whale.

SeaWorld assumed ownership of SeaWorld Marina (formerly known as Perez Cove

Marina) on January 1, 1978.

Over the years, the values that the park upholds converted what used to look like a shipyard into a well-maintained marina where families and friends can come to relax and enjoy themselves.

Everyday the SeaWorld Marina scrubs the docks, cleans the restrooms, sweeps the parking lot and checks the pump-out. Additionally the staff works at maintaining the docks whether it's repairing a cleat, changing a board or scraping growth. All of the Maintenance facilities from the park are also committed to providing a safe and quality experience for Marina tenants. Service is our product.

We've just completed sealing the wood on the 400 dock and we are replacing all of the original fiberglass floats

Marina Survey

Thank you for the input we received from this years' tenant survey.

We are looking into suggested upgrades and other enhancements for the area.

We have plans for improving our theme park Summer behind-the-scenes entrance including the ability to sell tickets at the office.

Accounting is currently in the process of updating the billing system, so look for a more user-friendly statement in the future.

Even though the office opens an 9AM, we do open the gate to get to the ice machine at 7AM. Additionally, you can leave an ice chest on your boat and call to have it filled the day before if you have a pre-7AM departure.

Look for more follow up in the next issue.

Please feel free at anytime to stop by or call the Marina office if you have any suggestions or comments.

Want to share the experience of being a SeaWorld Marina tenant? The Summer 2009 boating season is approaching, so now is the time for your friends and relatives to apply for a slip before the seasonal boaters return. Please see a Marina Representative on availability and application requirements.

Free Boating Training

The California Boating Safety Course
This correspondence course allows boaters to study at home at their own pace. dbw.ca.gov
All Public Education classes are offered **free of charge** to the public in an effort to increase boating knowledge in the community.

There's a new face at the Marina: Dockhand Ernesto Lopez. He is eager to assist with any help you may need on the docks.

If you have a story idea to share, or would like more information on this issue please contact us.
